

# Jazz Aerosol

**New Product!**

## Jazz™ Aerosol Trigger

This comfortable, ergonomic aerosol trigger is easy to spray. **Twist-Lock with audible click** feature is popular with consumers.

Great for hair care and sun care products -- or any product where a highly directional spray is desired.

Many insert options for fine-tuning the spray.

- Uses **VX** valve
- Covers 1" cup
- Family look with the Jazz™ pump
- Custom colors available

**Twist-open, twist-closed.  
NO PIN to lose!**

**PATENTED!**

## Two NEW Options for JAZZ Aerosol!

### Jazz Extension Tube

Hits the SPOT for automotive or industrial products.

### Jazz Streamer

Projects a steady stream - just right for insecticides!
