

# WS 345

Large, ergonomic actuator for **45mm tin-plate cans**. Skirt covers top chime. Attractive, dome-shaped hood, available gloss or frosted. Adds a distinctive Euro-look to spray products. Many insert options for fine-tuning the spray.

- 8mm skirt
- Hood available (clear/opaque/frost)
- Custom colors available

*Styling by SeaquistPerfect - Milan*

Pair with the **S 30** spout for a family look across your product line.
