

Aspire

A sensuous finger-hugging profile and feather light actuation combine to make our new Aspire™ Locking Mousse an inviting consumer experience.

Simply beautiful for facial, hair, body & suncare mousse products. A textured finger pad for slip-free actuation and our patented locking hood make Aspire the perfect touch for your personal care package!

- For inverted use
- Pre-assembled w/LOCKING hood
- 8mm skirt
- Fits **VX** valve
- Custom colors available

Twist-Lock hood *won't fall off!*

Assembled system **stays together** in manufacturing, distribution and retail! Ideal for promoting portable packages.
